

**WIAP # 9-99**

**SUBJECT: Wagner-Peyser 10% Funds**

**Statutory Reference: WIA§301, Wagner-Peyser Act, as amended Sec. 7 (b)**

**WDC Review Date: 9/21/99**

**Effective Date: 7/1/00**

## **BACKGROUND**

Ten percent of the state's Wagner-Peyser allotment is set aside for the Governor to provide performance incentives for public employment service offices and programs provide services for groups with special needs, and/or the extra costs of exemplary models for employment services funded under the remaining 90% allocation. The Governor's 10% funds must be used for one or more of the three categories identified above and may be provided through the One Stop system.

## **POLICY**

The Governor's 10% funds are to be allocated to the six IDOL planning areas using a formula based upon the area's share of the state's civilian labor force (1/3), average number unemployed (1/3) and the average number of youth age 16-21 (1/3) for the previous calendar year. The funds will be used by the Idaho Department of Labor to deliver employment services provided through the Employment Resource Centers housed in Job Service offices and to provide targeted services for youth.
